Percent satisfied with learning environment	75.0%	75.0%	86.4%
Percent satisfied with social and physical environment	84.4%	80.6%	79.0%
Percent satisfied with school-home relations	68.8%	86.0%	70.6%

*Only students at the highest middle school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

McCracken had another fantastic year! We exceeded all state averages on our PASS scores. Most of these scores increased by double digit gains. Our high school End of Course scores were the best in the district for Biology and Algebra I, with our English I scores being extremely competitive as well.

This year we were able to participate in cluster wide secondary staff development and articulation. The instructional staffs from Bluffton Middle and Bluffton High joined with McCracken to participate in teacher led professional development and articulation. This opportunity was the first of its kind and tremendously successful.

On the fields of play, our girls basketball team won league champions. Our boys and girls baseball and softball teams won both the league and tournament championships.

Our Science Olympiad team placed 2nd in the state. For the regional science fair, our students placed 1st with best in show out of all our regional public and private schools for the middle level division. The band earned a superior rating at the state concert festival, with straight superiors at our local district festival. Two of our students were selected for all region band. A delegation of eighth- and ninth-graders went to South Carolina Youth in Government and completed their first convention in Columbia. Seventeen students participated in the "mock" State House of Representatives and the State Senate. The McCracken delegation received a "Premier Delegation Award" - one of only four given to the middle schools participating. In addition, one of our students received the "Outstanding Statesman" award. The team also received 2 "Outstanding Bills" awards. So in their first year, five out of 17 students received awards, and the entire delegation received a "Premier" Award.

This year in addition to our monthly meeting, our SIC met twice cluster wide to discuss many topics including growth, bullying and our budget. This venue continues to be the most influential and best opportunity for our parents to actively participate in our school. We look forward to another fantastic year together as we build the absolute best school providing the absolute best education for our students.

Phillip Shaw, Principal
Covert – SIC Chair

Mike
